The Board of Directors Annual Report 2022

COV-ID 19 disrupted activities for IC2A and for our member associations during the first half of the year. Given this situation the Board decided to waive membership fees for 2022.

Board meetings. The Board met 5 times during the year via Zoom. Three of the meetings were extended board meetings where also representatives from the secretariat and project team participated.

In 2022 IC2A prepared for participation for the ISPO World Congress 2023 in Mexico.

We have planned for the board and our project team to take part in this Congress taking place in Guadalajara in Mexico, 24-27th April 2023. We plan these activities during the Congress:

IC2A Inspirational Lecture, to be delivered by Paulina Mendoza Chavrina, at the opening ceremony.

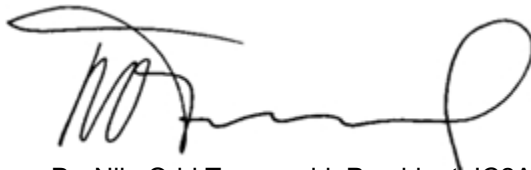

Presentation of the OneHand Project during scientific programme of the congress.

IC2A Think Tank, focusing on upper limb guidelines for an improved patient journey.

IC2A AGM, with board members physically present and members invited to participate by zoom.

We wish to thank the board, secretariat and project team for their devout efforts.

Accounts showed that IC2A is cash positive.

Dr. Nils-Odd Tønnevold, President, IC2A
