### The Board of Directors Annual Report 2024

**The Board.** The board has during 2024, as elected at the previous AGM, consisted of Dr. Nils-Odd Tønnevold (President), Dieter Jüptner (Vice President), Vincent Bohouo (Secretary), Isabelle Guerrero (until 17.3.2024) and Christoffer Lindhe (board members).

**Board meetings.** The Board met eight times during the year via Zoom. Four of meetings were extended board meetings where also our OneHand project officer Beth Sheehan has participated.

**Members meetings.** We started with and had six Members' meetings on Zoom in 2024 to exchange information, experience and news from the board and member associations on peer inspiration and support, projects and other issues.

**Participation at the OTWORLD 2024 in Leipzig, Germany.** The board and our project team took part in Congress 13-17<sup>th</sup> May 2024. We had a stand manned by IC2A Volunteers to facilitate dialogue with amputees and carers from membership associations, corporate members and partner organisations including ISPO, WHO, ICRC, FATO etc.

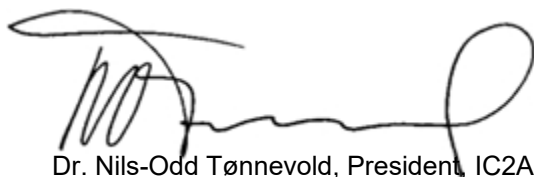

**OneHand Project.** During scientific programme of the Congress, results from the OneHand Project to produce an improved and evidence based upper limb rehabilitation guidelines were presented.

**IC2A Think Tank,** focusing on an improved patient journey for upper limb amputees were held as a hybrid workshop, with three groups attending in the room and one group via Zoom. Experience was shared, revealing a need for limb loss groups to help amputees and carers to overcome limb loss through peer support, especially in countries where little or no organised activity is taking place today. The lack of access to prosthetics is a another key issue.!

The **IC2A AGM** took place on 15<sup>th</sup> May 2024 at the OTWORLD Congress. Bboard members and a few members from membership organisations were physically present and other members participated via zoom. All items were presented and unanimously agreed.

We wish to thank the board, project team, our carers and supporters for their devout efforts.

Accounts showed that IC2A is cash positive.
