

About the International Confederation of Amputee Associations (IC2A)

IC2A is an international alliance of amputee associations. Together, we amplify the user's voice.

Our Vision is to inspire improvement in the quality of life of amputees and individuals born with limb deficiency.

Our Mission is to help national amputee associations to share experiences, knowledge and best-practices about amputee health and wellbeing at the international level.

Our Objectives are to

- amplify the voice of our members
- provide peer inspiration, support & counselling
- endorse best practice high quality and timely amputee rehabilitation services
- advocate for best quality of prosthetic socket fit
- promote freedom of choice of components and service providers
- ensure that limbs for sports is part of rehabilitation
- campaign for the financing of appropriate limbs and rehabilitation

Become a member

Is your country's Amputee Association a member?

See our latest country membership list on our website at: <https://www.ic2a.eu/members/full-members/>

More information about Full Membership is described in our IC2A Governing Document on this webpage.

Please note that we only accept one IC2A full member per country and so each member is expected to collaborate nationally with any other national amputee associations.

IC2A was founded in 2015 by seven founding member country Amputee Associations and is registered as a non-profit organisation in Belgium.
